There is so much to see and do in Kuala Lumpur, and on this exciting city tour, you will get to take in the city's most famous landmarks!

Take a step back in time with a stop at the city's Old Railway Station before heading to Malaysia's majestic National Mosque. Complete with beautiful gardens and holding a capacity of 15,000, it is a stunning spectacle and well worth a photo stop. Head to the Selangor club and contrast the mock Tudor façade with the Moorish architecture at the Sultan Abdul Samad building.

Let your spirits soar at KL Bird Park, the world's largest free-flight walk-in aviary. Sprawling over 20 acres, the Bird Park has been intricately designed to resemble their natural habitat and is home to more than 3,000 birds from 200 different species. Proceed to the National Monument to pay homage to the fallen heroes of Malaysia's past. A sculpture of huge cultural significance, it honours those who struggled to protect the country's freedom in World War II and the following turbulent years.

Conclude the tour at the world-famous Petronas Twin Towers (entrance fee not included). For six years after its construction, this mega-structure held the record for the world's tallest building and is a must-see for any visitor to Kuala Lumpur. Dominating the skyline of the business district, it is a symbol of Malaysia's rapid economic growth and a perfect photo opportunity.
